

## Flag Day

On June 14 we honor Old Glory on National Flag Day. This day commemorates the adoption of the United States flag on June 14, 1777.

On Flag Day, Americans show respect for the U.S. flag and what it represents. Representing independence and unity, the Star Spangled Banner has become a powerful symbol of Americanism and is flown proudly.

While Betsy Ross has been given credit for stitching together the first American flag, there isn't any sound evidence supporting the story, but there isn't any to disprove it either. Since 1777, the design of the flag has been officially modified 26 times. For 47 years, the 48-star flag was in effect. In 1959, the 49-star version became official on July 4. President Eisenhower ordered the 50-star flag on August 21, 1959.

## TRASH GOES IN THE DUMPSTER

Trash does not belong on your patio, balcony or by your front door. It not only looks "trashy" but encourages pests in your home. Get in the habit of taking your trash out daily!

## Grilling

The Fire Marshal's office has asked us to remind you that grills are not to be used or stored on your patios or balconies. Our community provides barbecue grills for your use. Please keep this area clean for everyone to enjoy.

## THE HEAT IS ON

It's hot outside and your air conditioner will be working overtime. If you find your A/C is not working properly, please call in a service request right away and turn off the unit until someone can repair it. Letting the unit operate while not working properly may delay the repair by causing it to freeze up.

The maintenance team works hard so you don't have to. They are happy to repair any problems you have, but the summer is their busiest time of year. Service requests will be handled in the order they are received, with emergency repairs taking priority over routine maintenance. Be assured they will get to you as soon as possible. We appreciate in advance your "keeping your cool" over this very "hot" issue.

## Make the Most of Your Summer

June means summertime – warm temperatures and lots of daylight for time with friends and family. Here are some ideas to get a jumpstart on summer:

- Take photos of all your activities so you'll have fun remembering your summer. Blog, Facebook or even scrapbook your memories.
- It's never too late to get into shape – it begins today. Find a park or local gym for walking, playing ball, volleyball, or group activities. So many of our cities have walking/running trails or greenways that are perfect for strolling or running, or even bird watching!
- Be a tourist in your own city. Always wanted to visit a historic place or art center? Plan a day and do just that!
- Is there a drive-in close by? Pack up your friends and enjoy an evening there. This is great fun for kids who've never experienced it.

## THE POOL IS OPEN!

Our pool is open and it's going to be a fun summer! Be courteous of others in and around the pool and obey ALL the pool rules. The pavilion/grill area closes at 11:00 p.m. nightly.

## Fathers Day

Fathers Day is a day to not only honor fathers but all men who are a father figure. Stepfathers, uncles, grandfathers, and adult male friends are all honored on Fathers Day. So for all those men out there who have impacted someone's life in a positive way, we appreciate you and wish you a Happy Fathers Day!

## STAY SAFE!

June is National Safety Month, a time to focus on reducing leading causes of injury at work, on the road, in our homes and communities. Make sure your summer activities lead you to care and caution. Playgrounds, in and around water, bug protection, dehydration, bicycling and even pedestrian safety should cause us all to look, listen and proceed with caution, while at the same time, have fun!

Check out [www.nsc.org](http://www.nsc.org) for some great ideas on safety year-round.

*Save a Life!*

Each year, millions of lives are saved through blood donation. Adequate supplies can be ensured only through regular donation, so in honor of World Blood Donor Day, find time this month to give the gift that keeps on giving. Go to [www.redcrossblood.org](http://www.redcrossblood.org) to find a local donation site.

## SAVING MONEY

WANT TO FIND SOME "HIDDEN" MONEY?

- **UNUSED GIFT CARDS** - Many gift cards go unclaimed. Check your wallet, a drawer, or unopened mail to see if you have any. If you need your balance, call the number on the back of the card for updated amounts.
- **RECEIPTS** - Although stores may give you credit for returned items, it may not be for the full amount unless you provide a receipt within a certain time frame. Keep your receipt in your wallet, not in the bag, until you know your purchase works.
- **PANTRY** - Be really thrifty by using up ALL items in your pantry before buying new groceries. You may need to be creative in how you prepare the food or you may just have a smorgasbord a few evenings, but you could be saving your food budget for a week or two.
- **RENTED STORAGE UNIT** - It's fine for a couple of months, but if you're not using the stuff in it, it's okay to toss or sell it. Savings of \$100-\$200 a month can add up quickly in your pocket.
- **CABLE FEES** can kill a budget. Cut the cord and either do without, purchase a digital antenna or stream your TV programs. You may find yourself reading more or having quality time with family and friends instead.

What other ways can you think of to spend less and save more?

## Blueberry FRUIT CRISP

- 1 cup self-rising flour
- 3/4 cup sugar
- 1/2 tsp. cinnamon
- 1/2 tsp. nutmeg

1/2 cup of mayonnaise  
*(be sure to use a brand that is made with eggs)*

- 4 cups blueberries  
*(you could substitute blackberries or strawberries), washed and thoroughly drained*

Heat oven to 350 degrees.

Mix together the flour, sugar, cinnamon and nutmeg.

Add the mayonnaise and blend well (the mixture will be thick but pliable).

Put blueberries in an 8x10 baking dish (no need to grease first).

Pour the mixture over the blueberries, making sure to cover all the berries.

Bake for 35 minutes.

Serve immediately with ice cream or whipped cream.
